fx-CG50 PRIZMTM

With the advanced features of a nextgeneration graphing calculator, the fx-CG50 PRIZM™ will support students and educators through middle school and high school and into college. With Natural Textbook Display and an intuitive icon-based menu, students will find the PRIZM™ incredibly easy to use and its brand-new 3D Graph Drawing and improved catalog function allows for greater engagement and real-life application in the mathematics classroom.
